## EDUCATION

Lakshmi Narain College of Technology Excellence

B.Tech - CSE-Data Science - **CGPA - 9.03**

2020 – 2024

Bhopal, Madhya Pradesh

## TECHNICAL SKILLS

- **Languages:** Java, C++
- **Frontend:** HTML, CSS, JavaScript, React.Js, Bootstrap
- **Backend:** Node.Js, Express.Js
- **Databases:** MySQL, MongoDB
- **Tools:** VSCode, GitHub
- **Area Of Interest:** Data Structures and Algorithms, Object-Oriented Programming

## PROJECTS

**Hostelengine.com** [🔗](#) | HTML, CSS, JavaScript, Bootstrap

[View](#)

- Designed and developed a responsive hostel booking website that allows users to easily search for hostels by State and City.
- After selecting a city, users are presented with a list of available hostels. They can then choose a hostel, view detailed information about it, and proceed to book their preferred option.
- The website is optimized for mobile devices, ensuring a seamless experience across all screen sizes.

**YogaPose** [🔗](#) | HTML, CSS, JavaScript

[View](#)

- Developed an AI application using HTML, CSS, JavaScript, Google Teachable Machine and Three.js which can help users to perform Yoga in correct way.
- Implemented Three.js and music to enhance the user's yoga experience.
- Display feedback to users about their pose accuracy, such as Perfect, Good Try and Wrong in percentage.

**E-Commerce Website** [🔗](#) | HTML, CSS, JavaScript, ReactJs, NodeJs, Express, MongoDB

[View](#)

- Designed and developed a responsive e-commerce website with a user-friendly interface. The platform allows users to browse products in categories such as Women, Men, and Kids.
- Users can select products, add them to their cart, and either continue shopping or remove items from the cart. Once the cart is finalized, the payment process is initiated seamlessly using Stripe.
- The frontend is built using React, HTML, and CSS, providing a smooth and responsive user experience. The backend is powered by Node.js, with MongoDB as the database, and the admin panel is managed via Express for efficient product and order management.
- The website is optimized for mobile devices, ensuring a seamless experience across all screen sizes.

## EXPERIENCE

Wipro TalentNext

May 2023 - Sep 2023

Intern

Remote

- Successfully completed a six-month internship at Wipro TalentNext, honing expertise in Java programming through comprehensive training and assessments covering various concepts.
